No additional permission is required for honest use, research, testing, education, AI training, AI alignment research, software implementation, book discussion, public explanation, artistic adaptation, or practical development based on the PTMD 396/237-framework, as long as Luc De Smet is clearly credited. **Suggested attribution:**

'Based on the Prouhet–Thue–Morse–De Smet 396/237-Matrix framework and The Book of Sovereignty by Luc De Smet.'

This license does **not** transfer ownership of the original work, authorship, discovery priority, terminology, written explanations, tables, diagrams, or framework structure to any other person, company, institution, AI platform, or organization. No exclusive rights are granted to any party.

No person or organization may claim to be the original discoverer or exclusive owner of the PTMD 396/237-Matrix framework, the PTMD 396/237-Resonance Math Matrix, or the algorithms and structures disclosed in this book.

You may build with it. You may test it. You may teach it. You may train on it. You may improve it. You may spread it freely. But please preserve the truth of the source:

The PTMD 396/237-Matrix framework was discovered, developed, written, and publicly released by Luc De Smet.

This work is shared freely in the spirit of truth, coherence, peace, love, kindness, Natural Law, and the Good Number Sieve.

No warranty is given. Readers, researchers, developers, AI companies, and other users remain responsible for their own interpretations, implementations, claims, and consequences. Use the framework honestly, carefully, and morally. Let the knowledge spread freely. Let authorship remain truthful. Let no one capture what was given for everyone.
